The following information is provided only as a guide and should be confirmed with the proper authorities before embarking on any export activities.

Import Tariffs

Customs duties on all commodities imported into the customs territory of Bosnia and Herzegovina (B&H) are paid ad valorem at rates of 0, 5, 10 and 15 percent. These rates apply to commodities originating from countries that have concluded an agreement with a Most Favored Nation clause with Bosnia and Herzegovina, or from those countries that apply the same clause on the commodities originating from B&H. Upon B&H accession to the World Trade Organization, most-favored nation (MFN) treatment will be granted to all WTO members.
